Spoken:

Dang girl, I'm getting use to you  
What, you, you, thinking about leaving  
What, you, you going away  
Naw, naw, naw  
I, I need to know something  
Right here (now?)

Where do we go from here  
(where do we, where do we)  
Where do we go from here  
(Oooh, oh)  
Where do we go from here  
(where do we, where do we go)  
Where do we go from here

You say you like my kissing and my hugging  
You say you like the way that I be thugging  
I know it's only been a few weeks but I  
Feel like you're apart of me

And if you really wanna know  
Just how far love can go  
Well, first you gotta prove and show  
And what I want to know is

Where do we go from here  
(We've done about everything)  
Where do we go from here  
(I barely know your name)  
Where do we go from here  
(This love you say we share)  
Where do we go from here  
(Let's talk about it, let's talk about it, yeah)

I can't believe it  
Your telling me your gonna be leaving  
(wait a minute)  
I can't be grieving  
Please tell me I'm dreaming

But I really want you to know

I never felt like this before  
So don't leave me in a world so cold  
Cause it will be without you  
Yeah, yeah, yeah

Where do we go from here  
(We've done about everything)  
Where do we go from here  
(I barely know your name)  
Where do we go from here  
(This love you say we share)  
Where do we go from here  
(I say, let's talk about it, let's talk about it, yeah)

(Where do we go from here)  
Whoa whoa-oh  
See I need to know  
What's going on  
What's going on  
See, I'm out of words to say  
So, let the guitar play baby

\*guitar solo\*

(Said I need to know)  
Where do we go from here  
(Where do we go from here)  
Where do we go from here  
(See I was just getting to know you)  
Where do we go from here  
(Do you hear what I'm asking you, baby)  
Where do we go from here  
(I wanna know, I gotta know, baby)  
Where do we go from here  
(I think I, love you baby)  
Where do we go from here  
(Please tell me)  
Where do we go from here  
(I don't want this thing to end, no, no, no, no)  
Where do we go from here  
(I say, let's talk about it, let's talk about it yeah)

And if you really wanna know  
Just how far love can go  
First you gotta prove and show

But I really want you to know  
I never felt like this before  
Don't leave me in a world so cold

Where do we go from here
