Fill these spaces up with days
In my room
you can go you can stay
I can't sleep,
I can't speak to you
I can't sleep

Now these years locked in my drawer
I'll open to see just to be sure

I can't sleep,
I can't speak to you
I can't sleep

And So I'm reaching out for the one
And So I've learned the meaning of the sun
And all this like a message comes to shift my point of
view
And watching it pull my own light as it tips a shade of
you

Hold my wine hold it in
no bodys lost
but no body wins

And I can't sleep
I can't speak to you
I can't sleep

And So I'm reaching out for the one
And So I've learned the meaning of the sun
And All this like a message to shift my point of view
I'm watching through my own light as it turns the shade
of you

I can't sleep
I can't speak to you
I can't sleep
I can't speak to you
I can't sleep
I can't speak to you

I can't sleep
I can't speak to you
I can't sleep
I can't speak to you
I can't sleep
I can't speak to you
