### "Acre Of Land"

Visit "[Acre Of Land](#)" on [MotoLyrics.com](https://MotoLyrics.com)

I'm gonna buy me an acre of land  
Yes I'm going to build me a home  
With my very own hands  
Gonna dig me a little garden  
And watch that garden grow  
And take it slow  
Take it slow  
Let it roll

I'm gonna find me a high place to stand  
Then I'm gonna find me the girl  
Gonna take my hand  
Gonna have myself some children  
And watch those children grow  
And take it slow  
Let them grow  
Take it slow

I'm gonna find me an arce of land  
Then I'm going to build me a home  
With my very own hands  
Gonna plant me a little garden  
And watch that garden grow  
And take it slow  
Take it slow  
Let it roll
