Don't let your mind get weary and confused  
Your will be still, don't try  
Don't let your heart get heavy child  
Inside you there's a strength that lies

Don't let your soul get lonely child  
It's only time, it will go by  
Don't look for love in faces, places  
It's in you, that's where you'll find kindness  
Be here now, here now  
Be here now, here now

Don't lose your faith in me  
And I will try not to lose faith in you  
Don't put your trust in walls  
'Cause walls will only crush you when they fall

Be here now, here now  
Be here now, here now
