Are you still in love with me  
Like the way you used to be or is it changing?  
Is it deeper over time  
Like the river that is winding through the canyon?

Are you still in love with her?  
Do you remember how you were before the sorrow?  
Are you closer for the tears  
Or has the weight of all the years left you hollow?

Are we strangers now  
Like the Ziegfeld Gal and the Vaudeville Show?  
Are we strangers now  
Like rock and roll and the radio  
Like rock and roll and radio?

I can see you lyin' there  
Tying ribbons in your hair, pullin' faces  
I can feel your hand in mine  
Though we're living separate lives in separate places

Are we strangers now  
Like the Ziegfeld Gal and the Vaudeville Show?  
Are we strangers now  
Like rock and roll and the radio  
Like rock and roll and radio?

All these white lies  
Hanging like flies on the wall  
Hard wired, road tired  
Counting curtain calls  
Waiting for the axe to fall

Are you still in love with me  
Like the way you used to be or is it changing?  
Is it deeper over time  
Like the river that is winding through the canyon?

Are we strangers now  
Like the Ziegfeld Gal and the Vaudeville Show?  
Are we strangers now  
Like rock and roll and the radio

Like rock and roll and radio?
