Meg White

You're alright, in fact I think you're pretty swell
Can't you tell?

Meg White

You're such a pretty thing
I saw your face on the cover of a magazine

Someday (Someday)

I'd like (I'd like)

To Take a walk with you
Maybe ride our bikes down by the seaside

Meg White

Saw you on the big screen
Oh Jack was Gene but you stole the scene

Meg White

Baby, you're the bomb
Oh Jake is great, don't get me wrong
But this is your song

Someday (Someday)

I'd like (I'd like)

To take a walk with you and talk about most anything
you'd like to talk about
And watch the sun going down, going down

Playing those drums is what you do, it's true
Nobody plays them quite like you do

Meg White

You're alright, in fact I think you're pretty swell
Can't you tell?

Meg White

Such a pretty name
I saw your face on the cover of a magazine

Someday (Someday)

I'd like (I'd like)

To take a walk with you, maybe ride our bikes down by
the sea side

And watch the sun going down, going down, going
down, going down
