Lejos and Mary  
Lay dazed in Liula  
Dreaming of tropical signs

As Lejos lay sleeping  
She knelt over him weeping  
Feeling the weight of his crimes

It seems he cut a man down  
In a Tennessee town  
He's just licking his wounds for a spell

But it won't take long  
For the boys to catch on  
And soon he'll be running like hell

Run Lejos run  
This ain't no time for that ball and chain  
Run Lejos run  
Climb on that pony and ride like you ain't never done

Well, their love it was long  
It was gentle and strong  
And for a while she forgot his sins

And she kissed him for love  
She kissed him for luck  
She kissed him one time for a kid

Well, they came in without a warning  
In the hours before morning  
They come-a blasting through the windows and walls

When the smoke it did clear  
Somebody cried out, he ain't here  
Killed ourselves a woman that's all

Run Lejos run  
This ain't no time for that ball and chain  
Run Lejos run  
Climb on that pony and ride like you ain't never done  
Ride like you ain't never done
