Doo-doo-doo-doo-doo
Mmm-mmm-mmm

A woman needs love just like you do, hoo
Dont kid yourself into thinkin?that she dont
She can fool around just like you do, hoo
Unless you give her all the lovin?she wants

Dont the mistake of thinkin?old fashioned [Ooh, ooh]
Times have changed from yesterday
But no longer will those old double standards [Ooh,
ooh]
Be accepted by the women of today

So when you think youre foolin?her
She just might be foolin?you
Remember if you can do it
She can too

Because a woman needs love just like you do, hoo
Hey, dont kid yourself into thinking that she dont
She can fool around just like you do, hoo
Unless you give her all the lovin?she wants

When her eyes are beggin?for affection [Ooh, ooh]
Dont put her off, dont make her wait
Dont try to give her that worn out excuse [Ooh, ooh]
About being tired and workin?late

I tell you one day youll come home
Early from work [Home from work]
Open up the door
And get your feelings hurt

Because she needs it, yeah [Just like you do, hoo]
A womans got to have it, whoa, yeah, just like you
And if youre smart, mmm, [Just like you do, hoo] you

better stop foolin?her the love, mmm
[Just like you do, hoo], yeah
That sweet, sweet love, she wants it just like you
Cause she can fool around [Just like you do, hoo] just
like she will fool
around
With you or without you, just like you do

A woman needs love just like you do, hoo
Hey, dont kid yourself into thinking that she dont, hoo,
ooh
She can fool around just like you, hoo
A woman needs it just like you
