Oh, yeah
Im in love [Im in love]
With the other woman
My life was fine [Life was fine]
Till she blew my mind, oh, shucks
Im just the average guy
I fooled around a little on the side
Never thought it would amount to much
Never met a girl whose love was so tough
Whod have though a one night stand
Could turn into such a hot romance
Mmm, well she did it to me
I slipped and fell in love
Im in love [Im in love]
With the other woman
My life was fine [Life was fine], yes, it was
Till she blew my mind, mmm
I know the rules of the game
You hit once, then break away clean
I should have never gone back, I know
But I had to have just a little bit more
My friends laugh, but that's alright
I may be a fool, but I know what I like
Now I hate to have to cheat
But it feels better when I sneak, oh
Im in love [Im in love]
With the other woman
My life was fine [Life was fine], yes, it was
Till she blew my mind, somebody help me
Im in love [Im in love], oh
With the other woman [With the other woman], hey, hey
My life was fine [Life was fine], yes, it was
Till she blew my mind, mmm, hmm, whoa, oh
Oh, this affair is unique
All my life I never met such a freak
She keeps going strong for so long
When I get home it's all gone
Makes me wanna grab my guitar
And play with it all night long
Oh
Im in love [Im in love]

With the other woman
My life was fine [Life was fine], yes, it was
Till she blew my mind, mmm, tell me
Has anybody else out there
Ever fell in love [Fell in love]
With the other woman [With the other woman], oh
With the other woman [With the other woman], oh
