Oh yeah

*I'm in love with the other woman

My life was fine (Yes it was)

Till she blew my mind

Aw shucks, I'm just the average guy

I foll around a little on the side

Never thought it would amount to much

Never met a girl who's love was so tough

Who'd a thought a one night stand

Could turn into such a hot romance

Mm, when she did it to me

I slipped and fell in love

(Repeat*)

Now I know the rules of the games

You hit it once then break away clean

I should have never gone back, I know

But I had to have just a little bit more

My friends laugh but that's alright

I may be a fool but I know what I like

Now I hate to have to cheat

But it feels better when I sneak

(Repeat*)

Somebody help me

(Repeat*)

Oh this affair is unique

All my life I never met such a freak

She keeps me goin' strong for so long

When I get home it's all gone

Makes me wanna grab my guitar

And play with it all night long

(Repeat*)

Tell me, has anybody else out there

Ever fell in love with the other woman

Oh with the other woman

Say I'm in love with the other woman

With the other woman, with the other woman
I'm in love, sure 'nough in love
