When no one else
Can understand me
When everything
I do is wrong
You give me love
And consolation
You give me hope
To carry on
And you try to show
Your love for me
In everything you do
That's the wonder
The wonder of you
(Oh wonder of you-ou-ou)
And when you smile
The world is brighter
You touch my hand
And I'm a king
Your kiss to me
Is worth a fortune
Your love to me
Is everything
And you're always there
To lend a hand
In all I try to do
That's the wonder
The wonder of you
[Brief Interlude]
I guess I'll never know
The reason why
You love me as you do
That's the wonder
The wonder of you
