"Faded Love"

When I look at the letters that you wrote to me
It's you that I am thinking of
As I read the lines that to me were so sweet
I remember our faded love

I miss you darlin' more and more everyday
As Heaven would miss the stars above
With every heartbeat I still think of you
And remember our faded love

As I think of the past and all the pleasures we had
As I watch the mating of the doves
And it was in the springtime that we said good-bye
And I remember our faded love

I miss you darlin' more and more every day
As Heaven would miss the stars above
With every heartbeat I still think of you
And remember our faded love
And remember our faded love
