And now, the end is here  
And so I face the final curtain  
My friend, I'll say it clear  
I'll state my case, of which I'm certain  
I've lived a life that's full  
I traveled each and ev'ry highway  
And more, much more than this, I did it my way

Regrets, I've had a few  
But then again, too few to mention  
I did what I had to do and saw it through without  
exemption  
I planned each charted course, each careful step along  
the byway  
And more, much more than this, I did it my way

Yes, there were times, I'm sure you knew  
When I bit off more than I could chew  
But through it all, when there was doubt  
I ate it up and spit it out  
I faced it all and I stood tall and did it my way

I've loved, I've laughed and cried  
I've had my fill, my share of losing  
And now, as tears subside, I find it all so amusing  
To think I did all that  
And may I say, not in a shy way,  
"Oh, no, oh, no, not me, I did it my way"

For what is a man, what has he got?  
If not himself, then he has naught  
To say the things he truly feels and not the words of  
one who kneels  
The record shows I took the blows and did it my way!

[instrumental]

Yes, it was my way
