What do you say when you write with no words?

(feeling)

Feel a song that's never been heard?

(sing it)

How do know if you did it all?

(answer)

What do you do when you've done it all?

(ball)

[Bridge] Cannonball (cannonball)

Cannonball (cannonball)

Cannonball

[Chorus] It's not what you do

It's how you do it.

Be anything you want to be

It's not what you got

It's how you use it

You be you

And I'll be me

It's just a matter of style

You can fake it

Mile after mile

Feeling free

If you got the soul

You can make it

Move-em out (move 'em out)

Let 'em roll (let 'em roll)

From sea to shining sea

Ball (ball)

Cannonball (cannonball)

What do you do if a mountain is there?

(move it)

How do you answer to a challenge in today?

(take it)

When your back's against the wall?

(fake it)

What do you do when you've done it all?

(ball)

[Bridge]

[Chorus]

Cannonball! (cannonball-cannonball)
