She'd snuggle up and talk to me

Each night as I watched TV

I'd teasingly call her Chatterbox

Then one night

She said don't be scared

I see an angel on the stairs

Daddy, can you hear the angel talk

(CHORUS)

One more year of lollipops

Ice cream cones and soda pop

One more year of Daddy's little girl

One more year of Crackerjacks

Bubble gum and sugar smacks

One more year of Daddy's little girl

I took her in my arms upstairs

And as she said her nighttime prayers

I felt a fever burning in her head

She gave thanks for Mom and me

And said, I heard my angel speak

Daddy, this is what my angel said

(CHORUS)

Her faith grew strong, her body weak
And soon my frightened eyes could see
There was nothing on Earth that I could do
And one year later, to the day
In her sleep, she slipped away
And I knew what she'd said
And heard was true

(CHORUS)

One more year of Daddy's little girl
