Rockin little angel come down from the sky
Down from the sky, come on down from the sky
Rockin little angel come down from the sky
Come on down and stop a-teasing me
Come on down, stop teasing me

Stop teasing little angel
Stop teasing little angel

Rockin little angel I love you so
I love you so, I love you so
Rockin little angel I love you so
I want the whole wide world to know
I want the whole wide world to know

Rockin little angel
Rockin little angel
Rockin little angel
Come on down and stop a-teasing me
Come on down, stop teasing me

Rockin little angel you're oh so sweet
You're oh so sweet, you're oh so sweet
Rockin little angel you're oh so sweet
Why don't you make my life complete
Come on and make my life complete

Rockin little angel
Rockin little angel
Rockin little angel
Come on down and stop a-teasing me
Come on down, stop teasing me

Stop teasing little angel
Stop teasing little angel

Rockin little angel with your honey-drippin lips
Your honey-drippin lips, with your honey-drippin lips
Rockin little angel with your honey-drippin lips
Let me kiss away my blues
Let me kiss away my blues

Rockin little angel

Rockin little angel

Rockin little angel

FADE:
