(chorus)

A woman needs love  
just like you do  
Don't kid yourself into  
thinking that she don't  
She can fool around  
just like you do  
Unless you give all  
the loving she wants

Don't make the mistake  
of thinking old-fashioned  
Times have changed from yesterday  
No longer will those  
old double-standards be accepted  
by the women of today

So when you thinking  
you're fooling her  
she just might be fooling you  
Remember, if you can do it  
she can too, because

(chorus)

When her eyes are  
begging for affection  
Don't put her off  
Don't make her wait  
Don't try to give her  
that worn-out excuse about  
being tired and working late

I'll tell you  
one day you'll come home  
early from work  
Open up the door and  
get your feelings hurt

Because she needs it  
just like you do

A woman's got to have have it  
just like you  
And if you're smart  
better stop fooling around  
'cause she will, too

Just like you do  
Thinking that she don't  
Just like you do

Now, and example to you:  
By the time poor Jack  
returned up the hill  
Somebody else had  
been loving Jill

A woman needs love  
just like you do  
Hey, don't kid yourself  
into thinking that she don't  
She can fool around (yeah)  
just like you do  
She will fool around  
(Yeah, she will fool around)  
so you'd better take  
out some insurance and  
be sure she won't

Give her that love  
That sweet, sweet love  
She wants it, just like you  
She can fool around  
and she will fool around  
With you or without you  
just like you do

A woman needs love  
just like you do...

(repeat to fade)
