Let me tell you a story
About time slipping away
But as the clock ticks down
Around and round
My life just bleeds away

I can't stand waiting
While my heartbeats fade to black
But I ain't no stranger to the thought
That heart beats don't come back

Oh you know you never say never say die
Oh you know you never say never say never say die

All I seem to do is just waste my time waiting in line,
Waiting in line
I'm so sick and tired of just spending my time
Waiting in line for you

There ain't no time like the present
And tonight I'm gonna have my say
But as the sun goes down and the world spins round
My heartbeats fade to grey

I'm so optimistic
And I'll tell you here's the twist
Boy meets girl and girl meets boy
What will come of this?
Oh you know you never say never say die
Oh you know you neverr say never say never say die

All I seem to do is just waste my time waiting in line,
Waiting in line
I'm so sick and tired of just spendind my time
Waiing in line for you

I can't stand it

Can't stand it, can't stand it, can't can't can't can't

All I seem to do is just waste my time waiting in line,
Waiting in line

I'm so sick and tired of just spending my time
Waiting in line for you

Can't stand it, can't stand it, can't stand it

Oh I'm wasting my time
I'm wasting my time on you
