Roly walked in said with a grin... somebody's stolen my heart  
And Ma gave me a shout, said whose to be your spouse...  
Is she rich does she own a big car...  
Well Roly sat down said Oh what a clown I am...  
Get me a drink from the bar...  
His Ma was almost in tears ain't had a wedding for years...  
And somebody go and fetch Pa...  
Roly's gonna get married Pa...  
Roly's gonna get wed...  
Roly's gonna get married Pa...  
I think he must be out of his head...

[Instrumental]

Well Roly sat down... said Oh what a clown I am  
Bring me a drink from the bar...  
His Ma was almost in tears... ain't had a wedding for years...  
And somebody go and fetch Pa...

Roly's gonna get married Pa...  
Roly's gonna get wed...  
Roly's gonna get married Pa... I think he must be out of his head...

I think he must be out of his head...
