Verse:

If dreams are a shadow
Of love, fame and fortune
That adorn the night
Some fade away quickly
And lose all their meaning
In the morning light

Verse: do cp verse

Yes some dreams are lifeless
They're light entertainment
Meaning nothing more
But there are dreams holding promise
And pure inspiration
Worth waiting for

Refrain:

Save me a dream
As perfect as the night is long
Save me a dream
As secure as your arms a shelter where we
Both long
And our love can bring the stars
Even close than they seem
Save me a place your heart
And save me s dream

Verse: do cp verse

Some call you crazy
Convinced that you're lazy
If you dream by day
When we're dreaming we're listening
If somebody's whispering
Who knows what they'll say

Verse:

Some find a purpose
A sense of direction
In a wandering mind
If ideas are prizes like children of angel
Who knows what we'll find
(Repeat Refrain)

Coda:

Save me a place in your heart

And save me a dream
Save me a place in your heart
And save me a dream
