Back to the start
Back to the start again I go
Back to the start
Back to the start again

And I don't know why
I feel this way
But I couldn't stay here for
One more day

I go back to the start
Before I loose my mind

Mary got the message
It was Monday morning
Five o'clock
Well, she put it in her pocket, yeah
Calling for the boys
But the boys don't stop

I walk into the bedroom
You could say yes
You could say no
I could take it easy
Because you can take me

Back to the start
Lonely day at the railway station

You go to London
You leave me here to test my patience

I don't know why I feel this way
But I couldn't stay here
For one more day

I go back to the start
Before I loose my mind

Back to the, back to the,
Back to the start
Back to the, back to the,

Back to the s-s-s

I don't know why
I feel this way
But I couldn't stay here for
One more day

But I go back to the start
Before I loose my mind

Back to the, back to the,
Back to the... start
