I'm down-folded on this roller coaster they call life.
Keep trying to make it through the next turn, knuckles
white and holdin tight.
So here I go, i'm takin a curve,
But I know that I'm never alone.
I think of you, until you never let me go.

I feel connected, protected, it's like you're sitting right
with me all the time.
You hear me, you're near me,
And everything else's gonna be alright.
Cause nothin can break this, nothin can break this,
nothin can break this time.
Connected...connected inside.

It's not an accident, the time we spent apart.
But now we're so close, I can always find you right here
in my heart.
You're giving me somethin I need, and I don't ever
want it to end.
Because of you, I know I've found my strength again.

I feel connected, protected, it's like you're sitting right
with me all the time.
You hear me, you're near me,
And everything else's gonna be alright.
'Cause nothin can break this, nothin can break this,
nothin can break this time.
Connected...connected inside.

Everytime that I breathe, I can feel the energy.
Reachin out, flowin through, you to me and me to you.
Find your dream,
Walk or stand, you are everywhere I am.
Seperate souls, unified, total essence in my mind.

You're giving me somethin I need, and I don't ever
want it to end.
Because of you, I know I've found my strength again

I feel connected, protected, it's like you're sitting right

with me all the time.
You hear me, you're near me,
And everything else's gonna be alright.
Connected, protected, it's like you sitting right with me
all the time.
You hear me, you're near me, and everything else's
gonna be alright.
'Cause nothin can break this, nothin can break this,
nothin can break this time.
Connected...
