Oh one more drink and then I'll go But there's one more thing I've got to know Does he take you places that I don't? What happened to the story that we wrote?

You just say you don't know, you don't know Oh no you don't know, you don't know

Woo

Oh let's just get this whole thing straight I don't wanna kidnap the truth and negotiate Or miss the point that they met you Just wanna hear you say something that you believe to be true

You say you don't know, you don't know You just say you don't know, you don't know What it feels like What it feels like

And so I'll go before I fall to pieces Yes I'll go before I fall to pieces

Now I'm just waiting for something that might never

If it's a million to one shot I'll make sure I won Seems that nothing is safe, except the truth turns to lies

Never figured it out, I'll find out why

So I'll go, yes I'll go Yes I'll go, yes I'll go Oh baby I'll go, oh yes I'll go Yes I'll go, oh yes I'll go Before I fall to pieces Before I fall to pieces Yes I'll go before I fall to pieces Yes I'll go before I fall to pieces Ohhhhhhh Ohhh Ohhh
