It's not enough to be the one who holds you  
It's not enough to be the one you're close to  
I want to be so much more  
The love that you are living for  
The air you breathe  
I wanna be everything that touches you everything

(Chorus)

I wanna be the rain that falls on you  
Washes away the pain  
I wanna be the sun that shines on you  
Warms your world each day  
I wanna be the sky that holds the stars for you  
So you never lose your way  
I wanna be the wind that kisses your face  
I wanna be the rain

It's not enough for me to be around you  
I wanna be everything that surrounds you  
The sunlight upon your skin  
Each breathe that you're breathing in  
Or that you need  
I wanna be everything that touches you everyday

(Chorus)

I wanna be the rain that falls on you  
Washes away your pain  
I wanna be the sun that shines on you  
Warms your world each day  
I wanna be the sky that holds the stars for you  
So you never lose your way  
I wanna be the wind that kisses your face  
I wanna be the rain

And even in your sleep, where you are dreaming  
I wanna be the only thing you see  
Won't you be there? In everything!

(Chorus)

I wanna be the rain that falls on you  
Washes away your pain

I wanna be the sun that shines on you  
Warms your world each day  
I wanna be the sky that holds the stars for you  
So you never lose your way  
I wanna be the wind that kisses your face  
I wanna be the rain
