There's too much silence in her night
She calls herself an angel, and she comes to town
I said L-O-N-D-O-N
Just so she can fall
There's something about the way she walks, you know

And here it comes now, there's nothing to say
Here it comes now, you don't care anyway
You see those eyes, they're just a rock'n'roll eyes
Oh just like mine, babe, they're just a rock'n'roll eyes
Oh it's just the lies, babe, it's just the rock'n'roll lies

Oh it's just the lies, man, it's just the rock'n'roll lies
Oh...
