Every now and then i get so sad  
Cause i miss you since you left me  
I'm so disconnected from my life.  
Sometimes i can't stand the morning light  
Cause i miss you since you left me,  
I'm just a reflection of your heart.  
In the middle of this night,  
I want you back, i really need you.

Give me love give me shelter  
Save my soul from this loneliness,  
Give me love give me shelter  
Save me now cause i'm falling down,  
Give me love give me shelter  
Save my live from this emptyness,  
Give me love give me shelter  
Save me now cause i'm falling down.

There's a lot of things behind my smile  
Cause i miss you since you left me  
Every day i'm trying to survive  
Sometimes i can't stand the morning light  
Cause i miss you since you left me.  
I'm just a reflection of your heart.  
In the middle of this night,  
I want you back, i really need you.

Give me love give me shelter  
Save my soul from this loneliness,  
Give me love give me shelter  
Save me now cause i'm falling down,  
Give me love give me shelter  
Save my life from this emptyness,  
Give me love give me shelter  
Save me now cause i'm falling down.

Give me love give me me shelter  
Save my soul from this loneliness,  
Give me love give me shelter  
Save me now cause i'm falling down  
Give me love give me shelter

Save my life from this emptyness,  
Give me love give me shelter  
Save me now cause i'm falling down
