Mi amor I'm not sure of the right words to say
Maybe these simple words will do best to best explain
What I feel in my heart
On this wonderful day

How to make you see
How to let you know
How to say how to say how I love you so
I get to you understand
Words that get right through to your heart
Here's the place to start

[CORO]
Tu amor, I will always be
Tu amor, means the world to me
Mi estrella de la navidad
You're the one in my soul
And I live for tu amor, tu amor.

Mi amor love you more with each look in your eyes
Maybe these simple words will do best to best describe
What I feel in my heart
During this Christmas time
How to make you see
How to let you know
How to say how to say how I need you so
With words you understand
Words that get through to your soul
Words that will let you now

[CORO]
Tu amor, I will always be
Tu amor, means the world to me
Mi estrella de la navidad
You're the one in my soul
And I live for, tu amor, tu amor.

You're the one that
I need in my arms
Believe me these words
I say are words that come straight from my heart

You're my gift under the tree
But this isn't means that much as you mean to me
Tu eres mi unico regalo,
Tu eres mi mejor regalo,
Yo te quiero,
Yo te quiero,
Te adoro
Te adoro
Feliz Navidad,
Merry Christmas,
Tu Amor,
Mi Amor.

Tu amor, I will always be
Tu amor, means the world to me
Mi estrella de la navidad
You're the one in my soul
And I live for tu amor, tu amor.

Feliz Navidad, Tu Amor, Feliz Navidad
Tu amor, Feliz Navidad, Tu Amor,
Mi amor,
Estaras siempre en mi corazon,
Estaras siempre en mi corazon, (tu amor)
Estaras siempre en mi corazon, (yeah, yeah)
Estaras siempre en mi corazon, (tu amor)
Mi Amor.
