Wild is the wind
That strips away our sins
Yours is the night but you
You don't know where to begin

But I heard you say you've got a feeling
That it's just around the bend
I heard you say sometimes you fall
Into the arms of no one at all

I mean to say that
That that's alright
I did what I could

Oh, sometimes I run and
Yeah, sometimes I fall
But if it's L O V E, I'll, I'll see you later
L O V E, I'll, I'll see you later

Yours is the fire
That gets in my head
Mine is desire, so let it
Well, let it burn down your bed

'Cause I have heard about those stories
Yeah, I guess everyone has
I heard them say sometimes you fall
Just on your own with no one at all

I mean to say that
That's alright
I did what I could

Oh, sometimes I run and
Yeah, sometimes I fall
But if it's L O V E, I'll, I'll see you later
L O V E, I'll, I'll see you later

Oh, you know, sometimes I run
Yeah, sometimes I fall
But if it's L O V E, I'll, I'll see you later
L O V E, I'll, I'll see you later

LOVE
LOVE
LOVE
LOVE

Yes, I'll see you later
I'll see you sometime
I'll see you there
I'll see you there
And you know you
And you know you

Can't touch love with a [incomprehensible]
Can't touch love with a [incomprehensible]
LOVE
LOVE
[incomprehensible]
I'll see you later
I'll see you sometime
Sometime
Sometimes I run
Sometimes I fall
Sometimes I cry
Sometimes I hide
[incomprehensible]
[incomprehensible]
[incomprehensible]
[incomprehensible]
