"Is This Love"

is so magical how simple it can be,
for this love,
for this sweetest love,
is so simple and so easy when you know,
who you love,
who you really love,
is this real or is lying,
it's all we know but everthing has changed,

(Chorus)
is this love,
it is love,
is this love and you can't break it,
it is love,
only love,
this is love you can't mistake it,
this is love,

it so simple that there's nothing to explain,
in this love,
what else can i say,
i don't know how long our love like this can last,
but it feels,
like you here to stay,

whoa oh oo
is this real or is a lying
but only u no but everything changed

(Chorus)
is this love,
it is love,
is this love and you can't break it,
it is love,
only love,
this is love you can't mistake it,
this is love, repeat(wait 4 17 sec)

(Chorus)
is this love,
it is love,
is this love and you can't break it,
it is love,

only love,
this is love you can't mistake it,
this is love,repeat
