Mi amor I'm not sure of the right words to say
Maybe these simple words will do best to best explain
What I feel in my heart
What I feel more each day
How to make you see
How to let you know
How to say, how to say, how I love you so
With words you understand
Words that get right through to your heart
Here's the place to start

[Chorus]

Tu amor, I will always be tu amor
Tu amor, means the world to me
EstarÃis siempre en mi corazÃ³n
You're the one in my soul
And I live for tu amor, tu amor.

Mi amor love you more with such look in your eyes
Maybe these simple words will do best to best describe
What I feel in my heart
What I'll feel for all time
Oh, How to make you see
How to let you know
How to say, how to say, how I need you so
With words you understand
Words that get right through to your soul
Words that let you know

[Chorus]

Tu amor, I will always be
Tu amor, means the world to me
EstarÃis siempre en mi corazÃ³n
You're the one in my soul
And I live for tu amor, tu amor.

You're the one that
I need in my arms
Believe me these words
I say are words that come straight from my heart
How do I make you believe
Nothing else means as much as what you mean to me

*Tu eres la unica en mi alma
Tu eres el unico en mi alma
*Yo te quiero
Yo te quiero
*Te adoro
Te adoro
*Tus labios
Tus labios
*Tus ojos
Tus ojos
*Mi amor
Mi amor

[Chorus]
Tu amor, I will always be
Tu amor, means the world to me
EstarÃs siempre en mi corazÃ³n
You're the one in my soul
That I live for tu amor, tu amor.
