

Rbd "Wanna Play"

Visit "[Wanna Play](#)" on MotoLyrics.com

See I know what's up papi
I'm a loca in a sexy body
I know that you wanna party
The kinda party that we both know

I can't give you all my goods
where's the part in the play that I wrote?

Something far from all the shows
Esta chica es muy especial

Oh oh
that's how you go
Oh oh
And a little bit more
Oh oh
If you only knew
You'd be going like oh oh oh oh

[Chorus:]

Wanna play
Come on set the game on
I don't need the warm ups to turn on
Wanna play to two shots so lets go
I'm waiting. Still waiting.
Wanna play
Come on set the game on
Can't resist the beat it's getting too strong
Wanna play to two shots so lets go
I'm waiting. Still waiting.

See I know what's up mami
I'm a loco too if you try me
Make me a part of your party
The kind of party that we both know
I promise to please you all night long
You'll be shaking long after I'm done
Next thing you spending on the phone telling all your
friends about me

Oh oh
That's how you go

Oh oh
And a little bit more
Oh oh
If you only knew
You'll be going like oh oh oh oh

Wanna play
Come on set the game on
I don't need the warm ups to turn on
Wanna play to two shots so lets go

I'm waiting. Still waiting.
Wanna play
Come on set the game on
Can't resist the beat is getting too strong
Wanna play to two shots so lets go
I'm waiting. Still waiting.

I ain't stopping
No I ain't stopping
Til' I get what I want
I'ma keep on shopping
I ain't stopping
No I ain't stopping
I'm getting what I need, I'm getting what I need
I ain't stopping
No I ain't stopping
Til the club shut down I'ma keep on rockin'
I ain't stopping
No I aint stopping
I'm getting what I need, I'm getting what I need

[Chorus:]

Wanna play
Come on set the game on
I don't need the warm ups to turn on
Wanna play to two shots so lets go
I'm waiting. Still waiting.
Wanna play
Come on set the game on
Can't resist the beat is getting too strong
Wanna play to two shots so lets go
I'm waiting. Still waiting.
Wanna play
Come on set the game on
I don't need no warm ups to turn on
Wanna play to two shots so lets go
I'm waiting. Still waiting.
Wanna play
Come on set the game on
Can't resist the beat is getting too strong

Wanna play to two shots so lets go
I'm waiting. Still waiting

Come on
I wanna play
