It's a growing time  
It's the springtime of the year  
It's a growing time  
The sun is moving near  
It's yours and mine  
The days are ours to share  
Within our peaceful garden  
And this growing time so fair

Caring quietly  
For the garden in our care  
It's a joy to see  
True love's blossoms growing there

When you walk with me  
A single shadow's thrown  
Across our peaceful garden  
And this growing time we've known

Chorus:  
Now the sheep are in the meadow  
And the cows are in the corn  
And if wishes were like horses we would ride  
Like the light unto the shadow  
And the blossom to the thorn  
We've come to learn we flourish side by side  
Side by side
