You  
With the past at your back  
And the future unsure  
Asked  
For the chance to try  
Love once more.

Well aware of the consequences  
Should the dream fall through  
You threw down you last defenses  
Wanting to try something new  
Wanting to try something new.

You found me  
In a sea of confusion  
Drifting with the tide  
Living  
On love that had long since died.

But everytime that I touch you, baby  
I feel a little more alive  
And I'm reminded how much you've  
Made me  
Believe in the love that survives  
Believe in the love that survives.

Lessons learned are like  
Bridges burned  
You only need to cross them but once  
Is the knowledge gained  
Worth the price of the pain?  
Are the spoils worth the cost of the hunt?  
Are the spoils worth the cost of the hunt?

Borne  
On the first warm winds of  
Feelings newly found  
Fly  
But remember  
Don't look down  
Take as much as you think you ought to  
Give just as much as you can

Don't forget what your failures have taught you  
Or else you'll learn them all over again  
Or else you'll have to learn them  
All over again.

Lessons learned are like  
Bridges burned  
You only need to cross them but once  
Is the knowledge gained  
Worth the price of the pain?  
Are the spoils worth the cost of the hunt?  
Are the spoils worth the cost of the hunt?
