Some say that love is its own
Love is its own reward
But I can't help but believe
There's got to be more.
A man needs a woman
To have and to hold
To love him in body
As well as in soul
I need your desire
Where did the fire go?
I keep trying to sleep
But sleep won't be mine tonight
There's so much sorrow inside
And baby, I don't know why.
I give you your freedom
I give you my love
I give all I have every time that we touch
I don't know, baby,
Maybe I give too much.
Chorus

Now I'm lonely in love
Why must I be lonely in love
I'm so lonely in love
Baby why must I be lonely
Why must I be lonely in love.
I know that love carries no
She carries no guarantees
But still I can't seem to
Find a reason that I can believe in
You said to be patient
And give you some room
You said you had changes
You need to work through
But the longer I wait
The farther I feel from you.
(Repeat chorus twice)
Baby, you're my one and only
Why do you keep me lonely in love.
