Looking for a lady
I'm looking for a lady
To change my night to day

Looking for a lady
I'm looking for a lady
To chase my blues away.

Well, I have a few in mind
But none in particular
I have had them before
But nothing that was for sure.

And I'm in no position to barter
And I'm in no condition to play the
Martyr
And I'm sadder certainly
But I'm smarter
And I find myself.

Looking for a lady
I'm looking for a lady
To share my empty bed
Looking for a lady
I'm looking for a lady
To soothe my aching head.

Well, I have a few in mind
But none in particular
I have had them before
But nothing that was for sure.

And my feelings have grown
Rigid like a wooden post.
And my love is like a curtain
That has been drawn closed
And my life just isn't going
The way I thought it was supposed to
And I'm crying and I find myself.

Looking for a lady
I'm looking for a lady

To change my night to day.
