What I'll give you since you asked
Is all my time together
Take the ragged sunny days
The warm and rocky weather
Take the roads that I have walked along
Looking for tomorrows time
Peace of mind

As your life fills into mine
Changing with the season
Filling up the world with time
Changing time to reasons
I can show you all the songs
That I never sang to someone before

We have seen a millions stars
Lying by the water
You have climbed the hills with me
To the mountain shelter
Taking off the days one by one
Setting them to breathe in the sun

Take the lilies and the lace
From the days of childhood
All the willow winding back
Leading up and outward
This is what I give, this is what I ask you for
Nothing more
