I wanna party in the rain  
(Let it rain , let it rain, let it rain)  
Things will never be the same

Things won't be the same noooo

[Verse 2: Eve]

Uh, ayo, this thing so crazy

How you feel, when you hear this  
Wasn't prepared boy  
I need the listeners on the dance floor  
Go head boy  
You in yo spot, play the shit loud, run around  
Make ya neighbor's, call the police  
C'mon go head get wild  
Some of y'all against this shit  
Really against this chick  
This for the niggaz who love me  
Go head a get bent  
And if you really want people  
To think you insane  
Open up your door, let it pour  
Party in the rain!

[Chorus]

[Verse 3: Eve]

Uh, ayo, be careful this one here is crazy

Clearly i'm just tryna party  
And you niggaz hear me  
I ain't really never wanna let myself go  
But i'mma give it now  
You can't really fuck with this flow  
If you just sittin down  
Now is you with me, or are you bullshitting  
I need to know  
Messing with my concentration  
With me i gotta go  
I know you ready to shout it out  
Yo this chick's incredible  
And it's more to come from baby girl  
That's if your ready though  
I got alot  
Slow down now i'm loosing my breath  
I think I might  
Move back now ready no not yet  
Almost there

Bring it back one time  
Here we go again  
And party till the sunshine!
