We got the message  
I heard it on the airwaves  
The politicians  
Are now dj's  
The broadcast was spreading  
Station to station  
Like an infection  
Across the nation  
Though you know you can't stop it  
When they start to play  
You're gonna get out the way

The politics of dancing  
The politics of ooh feeling good  
The politics of moving, aha  
If this message's understood

The politics of dancing  
The politics of ooh feeling good  
The politics of moving, aha  
If this message's understood

We're under pressure  
Yes we're counting on you  
Like what you say  
Is what you do  
It's in the papers  
It's on your tv news  
Oh, the application  
Is just a point of view  
Well you know you can't stop it  
When they start to play  
You're gonna get out the way

The politics of dancing  
The politics of ooh feeling good  
The politics of moving, aha  
If this message's understood

YEAH

The politics of dancing

The politics of ooh feeling good  
The politics of moving, aha  
If this message's understood

The politics of dancing  
The politics of ooh feeling good  
The politics of moving, aha  
If this message's understood
