Ooh

I can't keep my hands off you, baby

When I think of you all through the night

I cannot help the way I feel inside

(Feel inside)

You are all I need you know it's true

So true I think of making love to you

I can't keep my hands off you, baby

I can't get enough of you

(No)

I can't keep my hands off you, baby

I can't stay away from you

(Baby)

No I can't get enough

No I won't give it up

I can't keep my hands off you, baby

Just can't keep my hands off you

I've got your touch running through my mind

I know a better love is hard to find

(Hard to find)

You give all of you instinctively

I can't believe I've got you next to me

I can't keep my hands off you, baby

I can't get enough of you

(Of your love)

I can't keep my hands off you, baby

I can't stay away from you

(Baby)

No I can't get enough

No I won't give it up

I can't keep my hands off you, baby

Just can't keep my hands off you

I never knew another girl like you

When I get with you, baby

I just can't help myself

I can't keep my hands off you
(You you you)

Just can't keep my hands off you
I can't keep my hands off you, baby
Yeah

I can't keep my hands off you, baby
I can't get enough of you
(Of your love)
I can't keep my hands off you, baby
I can't stay away from you
(Baby, baby)

No I can't get enough
(Get enough)
No I won't give it up
(Give it up)
I can't keep my hands off you, baby
Just can't keep my hands off you
(Off of you)
