Strollin' in the park
Watchin' winter turn to spring
Walkin' in the dark
Watchin' lovers do their thing

That's the time I feel like making love to you
That's the time I feel like making dreams come true

When you talk to me
When you're moanin' sweet & low
When you touch me
And my feelings start to show, show, oh

That's the time I feel like making love to you
That's the time I feel like making dreams come true

That's the time I feel like making love to you
That's the time I feel like making dreams come true
In a restaurant
Holdin' hands by candlelight
Wanna touch you
Wantin' you with all my might

That's the time I feel like making love to you
That's the time I feel like making dreams come true

That's the time I feel like making love to you
That's the time I feel like making dreams come true
