Lady
D'Angelo
Album: Brown Sugar

1-You're my lady, you're my lady
You're my lady, you're my lady

Don't think I don't see them looking at ya
All of them wishing they could have ya
And as a matter of fact, uh
A bunch of them are itching for you to scratch 'em

I'm tired of hiding what we feel
I'm trying to get with the real
And I'm-a gonna make it known 'cause I want them to
know
(repeat 1)

You're my little baby, my darling baby
I swear you are the talk of the town
And everybody wants to know what's going down
Babe, I know they've seen us before
Maybe at the liquor store
Or maybe at the health food stand
They don't know that I'm your man
(rpt 1)

I can tell they're looking at us
I pick you up everyday from your job
And every guy in the parking lot
Wants to rob me of my girl, and my heart and soul
And everybody wants to treat me so cold
But I know I love you and you love me
There's no other lover for you or me
You're my lady

Bridge (Ad lib)

You're my lady, my divine lady
You're my lady, such a wonderful lady
I can tell they're looking at us

Repeat to fade
