[Redman]

Yo, yo

Yeah, come on

[D'Angelo]

I see you dancing right now

I don't need to tell you that you know how

Baby you do, oh

I say you belong

And if you dream, you'd be free

I can take you there

Just follow me

Baby I won't, I won't steer you wrong

And it seems like to me

You want someone to treat you like their queen

Babe I do

So what'cha want?

Smack your ass, pull your hair

And I even kiss you way down there

You know I will

Think I won't?

[D'Angelo]

That's the way we do it

Left and right

Keep it moving

Up and down

How we do it babe

Left and right

Uh keep it moving

Up and down

Uh so what'cha doing?

Left and right

I love it went you do it

Up and down

Love it went you do it

Left and right

Keep doing it babe, yeah

[1] - [D'Angelo]

Left and right

And up and down

[Repeat 1 w/Redman and Method ad-libs (4x)]

[Method Man]

Yo D how we do it

[Redman]

Hey yo D how we do it

[Method Man]

Hey yo how we do it

All day how we do it

[D'Angelo]

Yeah

I hear you calling my world

Make you feel like a pearl

I'll rub your back and fulfill your needs, yeah

So I would suggest you get undressed

Fingertips touching and you'll come back

As I want

Why don't you give it to me?

I will have you believe

There's no reason for you to leave

Stay right here (stay right here)

In my arms (in my arms)

Bring you fears stay secure

Here with me you can be sure

There's no faking you turn me on

[D'Angelo]

That's the way we do it

Left and right

Oh

Up and down

You keep it moving

Left and right

Yeah she's moving

Up and down

Oh yeah

Left and right

Love it when you do it

Up and down

[Repeat 1 w/Redman and Method ad-libs (4x)]

[Redman]

[Method Man]

Yo D how we do it  
Funk Doc how we do it  
[Redman]  
Yo Stallion  
[Method Man]

[D'Angelo]  
Why don't you know?  
The sexy little things you do  
(The sexy little things you do)  
Oh, oh why don't you know?  
The sexy little things you do, ooh

[Redman]  
Yo, yo  
My flows remarkable  
Doc walk like Kane from Kung Fu round the globe  
Throw obstacles I'll hurdle them  
Herb and whack MC's, drum racks  
To the rims to the caps  
Yo Meth, Tical, and D  
I'm ASAP, I'm crack a don chicken hunting at KFC  
In '83 I was that scrub TLC talking 'bout  
Now I rock the house  
Chalk 'em out

[Method Man]  
Yeah no doubt who gots the biggest ass in the house  
Young miss fillet-a-fish  
Salt water trout, pretty young thing  
Got a tongue ring and dirty mouth  
And she whispering them sweet nothings  
I hear it out  
Baby you got me like Joni had Cha Chi  
Until she got high and went and fucked Potsi  
Lady Godiva  
From day one a dick rider  
Liar, liar set your pussy on fire

[Redman] [(Method Man)]  
Yo Doc be off the wall  
We keep a Marly cheap  
Pulling a Harley deep with a jar of grease  
Come 1-5-1, straight endo, the spot  
I fuck brown sugar behind the fiber glass window  
Its Doc not guns don't sling weight  
The only thing I sling is condoms for spring break  
(Fuck 'em) How we do it?  
(Leave 'em) How we do it?  
(Get the money) The pussy

(The weed) Now do it

[Method Man] [(Redman)]

Now take your coat off and stay a while

Now honey child if you're gon' be acting funny style

Then I don't need ya
