When I first saw you baby, I wanted to die
Me and those dreamy eyes of mine started to cry, then
I dreamed
wishin my fantasies, soon would become a reality
Cause everytime I see you baby, all I do is sigh
Cause you're the most precious thing baby
That my dreamy eyes have ever seen, so I can day
dream
Me and those dreamy eyes of mine

Is it that you're the finest little thing that I ever saw
Or is that my imagination running to far
Or is it that my eyes are telling me something you can
never see
Something like me being with you and you being with
me

Oo pretty baby you redefined my vision of love
You're lovin be the cherry in my chocolate covered
dreams
So it seems my oh my, Me and those dreamy eyes of
mine

Oh my goodness here she comes, switching that ass
I wonder if the men in the past have treated her bad
Cause if I had the chance, I'd treat her like a queen
Just like I do in all my dreams
If you knew how many times that I think of you
I'm quite sure you'll find, I'm going out my mind my oh
my
Me and those dreamy eyes of mine

Is it that you're the finest little thing that I ever saw
Or is that my imagination running to far
Or is it that my eyes are telling me something you can
never see
Something like me being with you and you being with
me

Oo pretty baby you redefined my vision of love
You're lovin be the cherry in my chocolate covered
dreams

So it seems my oh my, Me and those dreamy eyes of
mine
