Did you call my name?

when your body change...

may you come to me...

to do what?

I'm really in love with you...

forever in love with you...

May I come on in?

I got a thousand with me...

but its consequently..

to do what?

I'm really in love with you...

to do what?

I'm really in love with you...

.....

to do what?

I'm really in love with you...

to do what?

I'm really in love with you...

(oral sex reference plug-in)

When you touch my head

When you make it tickle

When your lips are real low

to do what?

I'm really in love with you...

to do what?

I'm really in love with you...

to do what?

I'm really in love with you...

to do what?

I'm really in love with you...

All that I wished for years...

Lays inside of here...

to do what?

I'm really in love with you...

to do what?

I'm really in love with you...

to do what?

I'm really in love with you...

to do what?

I'm really in love with you...
