I'm so scared yet i know just where to turn
My heart is cold still i see the fire burn
How i long for the warmth of heaven's bliss
Please no more i just can't go on like this

I need to cry...cry
Cry to my Jesus...cry
Cry to the heavens
Cause without You in my life i just can't see a way
Oh Lord, so now i'll cry
With joy cause i have You

I'm so tired i hear You say just come and rest
And i want to change cause my life is full of regret
I'd given in when You offered hope, love, and truth
Please oh Lord, fill my life with all of You
So i can cry out to You, Lord
