

## Ready For Monday "Deep Breath"

Visit "[Deep Breath](#)" on [MotoLyrics.com](https://www.motolyrics.com)

Have you taken the deep breath  
Stepped over the edge  
Have you looked into tomorrow  
Only to forget  
Who you are and what this is about  
Are you left out in the open  
Your thoughts more than you can bear  
Is the distance you have traveled  
Left you unaware  
Of what this is about

It's a Savior on the cross  
It's a gift that can't be lost  
It's something that we need  
For peace and life and eternity  
Its the grace that none can give  
It's a love we can't afford to miss  
It's not about you or me  
But in who we believe

It's not about you  
Its not about me  
It's not about where were coming from  
But in Who we believe
