Visit "[Eternity](#)" on [MotoLyrics.com](https://www.motolyrics.com)

I close my eyes and you take me there
A place where no one can hide
I stand alone with eyes on me
Feeling i'm on the wrong side
From a distance i see the cross
Where You laid down Your life for me
Hanging there Your crying out
"forgive them they don't know why i bleed"

"take up your cross and follow Me
Walking in the light of My feet
Take up your cross and follow Me
Surrender all you've got for eternity"

As i see the nails through Your skin
Hands cover my eyes
All around i hear the silence
Broken by this cry
The King of kings, the Lord of lords
Is here
The King of kings, the Lord of lords
Is here

I confess my sin to You Lord
I have nowhere to go
Your blood falls upon my shame Lord
Washes white as snow
