Visit "[His Way](#)" on [MotoLyrics.com](https://www.motolyrics.com)

Do i see that passion in your eyes
Or is this just a lame disguise
Do you find yourself by what you feel
Or is this something that is real
Outside the wall outside the pain
Nothings hopeless

Cause i am weak but wanting more of Him
Coming every day
Is the strength that i've been needing
To help me go His way

Not tempted simply to do the wrong
But rather to take what has been ours
Lord Jesus take and break me now
And form me till at Your feet i bow
Inside on the outside on the in
Exposing secrets deep within
Comes the Son to light the way
Helping me to see
How to live this life on earth
In view of eternity

Cause i am weak but wanting more of Him
Coming every day
Is the strength that i've been needing
To help me go His way
