Visit "[Lead Me Home](#)" on MotoLyrics.com

Sitting in the silence of this peace i found in You
Found only in Your precious blood,i need more from
You
"don't worry about what you have done"
You whisper in my ear
But how can i forget it Lord with consequences here

So i wait for You to show
Where i am where i should go
I need Your grace right now
Cause im falling down somehow

Lead me home
Wont You take me by the hand, carry me and lead me
home
Lead me home
Don't You know that i feel so scared without You Lord
Cause i feel so alone
Lead me home

Sitting in the silence i see the face that i once knew
I recognize Your voice oh Lord,i know Your love stays
true
"don't worry about tomorrow" You whisper in my ear
Cause only in Your grace oh God can i hope to draw
near
