Like I always say:

What's good for the goose is always good for the
gander.

Oh Sheila -

Oh baby

Love me right

Let me love you 'till you get aroused.

Can't you let the others be

'Cause with you is where I got to be.

Oh sugar

Where you been making out with your male friends?

Listen: somebody's gonna hurt you

But then you love to keep hurting me. And we sing:

Oh

Oh Sheila

Let me love you 'till the morning comes.

Oh

Oh Sheila

You know I want to be the only one.

Oh baby

Understand that I want to be the only man.

But since I was trying too hard

I think I'll start to have my own friends.

Oh baby

It's plain to see

That you're qualified to fill your needs.

You think you've pulled one over on me

Well honey

Baby

Just wait and see. And we sing:

Oh

Oh Sheila
Let me love you 'till the morning comes. . . .

Oh baby
It's one
Two
Three
I love you baby
Honestly.
I want to de-del-de-del-lee
A de-del-de-del-loo.
Oh
Oh Sheila - oh Sheila - oh
Oh Sheila - oh Sheila -

Oh baby
Love me right
. . .
Oh baby
Understand that I want to be the only man.
You think you've pulled one over on me

Well honey
Baby
Just wait and see. And we sing:
Oh
Oh Sheila
Let me love you 'till the morning comes. . . .
Oh
Oh Sheila
Let me love you 'till the morning comes. . . .
Here we go - oh!
